

Seeking secure multi-agent systems Internship from January to July 2027

Enzo Juhel

23-year-old dynamic student with a passion for **multiagent AI**, in engineering cycle at EPITA Rennes. Possessing a solid background in programming and **SecDevOps**, enriched by an **international semester in India**.

CONTACTS

enzo.juhel@epita.fr

enzo-juhel

prog-up

Rennes (France)

SOFT SKILLS

- Technology watcher
- **Collaborative**
- **Autonomous**
- Curious

HARD SKILLS

- **Ollama**, OpenVINO
- **Terraform, Ansible**
- **OpenStack, Docker**
- Web **Full Stack**
- Linux

LANGUAGES

- French (Native)
- English (B2)
  TOEIC + TOEFL iBT

DRIVING LICENSES

- Car
- Motorbike

HOBBIES

- Home Server
- PC configurations
- Mechanics
- Cooking

EDUCATION

EPITA, Rennes (France) — *School of Engineering & Computer Science*
2022/09/01 – 2027/06/30

- Winner of OVH Hackathon with a **procedural Honeypot using A2A**
- Simulation of company **Servers, Services** and **Networks** (Proxmox)
- Creation of a **LLM inference server** optimized for Intel (API **OpenAI**)
- PoC project based on Twiter (Java – Quarkus, Redis, NoSQL)
- Creation of a GUI software with **OCR Algorithm** (C, GTK+)

SRMIST, Chennai (India) — *Institute of Science & Technology*
2024/01/18 – 2024/08/12

- **International Exchange Semester** (**AI**, C++, IoT)

Victor Hugo High School, Besançon (France) — *CPGE MP2I*
2021/09/01 – 2022/07/01

- CPGE (Maths / Physics / Computer Science (C, OCaml))
- SAT Solver Algorithm creation project

Victor Hugo High School, Caen (France) — *General Pathway*
2018/09/01 – 2021/07/01

- Baccalaureate with Honors, specializing in Maths / Computer Science

EXPERIENCES

CTFs, Rennes (France) — *Hacking Competition*
2026/03/07, 2026/05/23, 2026/06/05

Hack'Lantique (5th/40), BreizhCTF (12th/100), Hack The Shield (soon) with AI.

Excense, Rennes (France) — *Intermediate Internship*
2025/09/01 – 2026/01/30

Creation of a **UWP PoC** with an **MCP Server**, automation of LLM compatibility tests as a web service and **.NET9 migration (C#)**.

Sentient Script, Chennai (India) — *International internship*
2024/01/18 – 2024/08/12

Full-Stack development on two projects involving **artificial intelligence.**

Agrial, Douvres-la-Délivrande (France) — *Seasonal employment*
2023/07/17 – 2023/08/26

Inventory management, displays and handling of customer orders.
